Components and Systems
ICT for Transport

Brussels, 18/01/2007
INFSO/G/4 - D(2007) 801158

Dear Sir/Madam,

The European Commission hereby invites you to participate in the following workshop:

**WORKSHOP ON PRIVACY & DATA PROTECTION ISSUES CONCERNING
IN-VEHICLE TELEMATICS & COOPERATIVE SYSTEMS**

The workshop will take place in Brussels, on **13 February 2007, from 10h00 – 17h30** in the following location:

**Centre Albert Borschette
Rue Froissart 36, Room 1A
B - 1040 Brussels**

Ensuring adequate protection of personal data and privacy of the citizens is necessary to generate users' confidence on in-vehicle Telematics and co-operative systems based on vehicle to vehicle and vehicle to infrastructure communications.

The objective of the workshop is to discuss how to deal with privacy issues when designing telematics services and applications. Experts from the industry (vehicle manufacturers, equipment suppliers, telecommunication), security in electronic communications as well as representatives from data protection authorities will meet with the aim of elaborating guidelines for tackling these issues.

The draft Agenda, Reply Form and well as practical information about the meeting's location are attached. For any additional information, please contact INFSO-eSafety@ec.europa.eu or Mr. Emilio Dávila at +32 2 2962188.

Please send the reply form not later than the 2nd of February.

Best Regards,

André Vits
Head of Unit
