

# General issues

- Rephrasing of some User needs
  - Reviewing definitions
  - Stakeholders
- Compliance with CVIS-information
  - Enforcement
  - Stimulating good behaviour
- Safety
- Policy
- Other road users
  - Pedestrians
  - Non-equipped vehicles

# Applications

## CURB

- Bus lane - Lane management policy
- Speed profile – Integration non-equipped vehicles
- Network management – Testing of user needs

## CINT

- EDA – V2V needs to be emphasized
- CTA – Cooperative aspects not clear enough

## CF&F

- Dangerous goods - Definition
- Parking zones - Relation tacho graph
- Access control - Responsibility for enforcement
